# Reason for the addition of the Acuity Index Assessment

- *The Acuity Index Outcomes Assessment was added to CT HMIS because:*
  - *It was requested by the Providers*
  - *DMHAS heard the request and worked with Nutmeg to get the Assessment and a Report implemented in CT HMIS*
  - *DMHAS wanted to standardize the collection and reporting process around the Acuity Index.*

# New Acuity Index Assessment

# New Acuity Index Outcome Assessment Summary

- *Effective 9/1/22* the new **Acuity Index Outcome Assessment Summary** form will be visible in CT HMIS.
- This form will display all **Acuity Index Outcome Assessments** that a client has completed by your Organization (Org in top left corner/User Area).
  - Accessible via *Case Management Tab > Left Menu > Program Assessments > Acuity Index Outcome Assessment Summary*

# New Acuity Index Assessment Report

# New Acuity Index Assessment Report

- This report was developed to assist allow Providers to work with DOH for the Moving on Project.
- This report will pull in all assessments for a client so if someone has 4 Acuity Index Assessments, all 4 will be pulled into the report if they fall in the report date range.
  - Accessible via *Administration > Left Menu > Reporting > Compliance Reports > DMHAS*

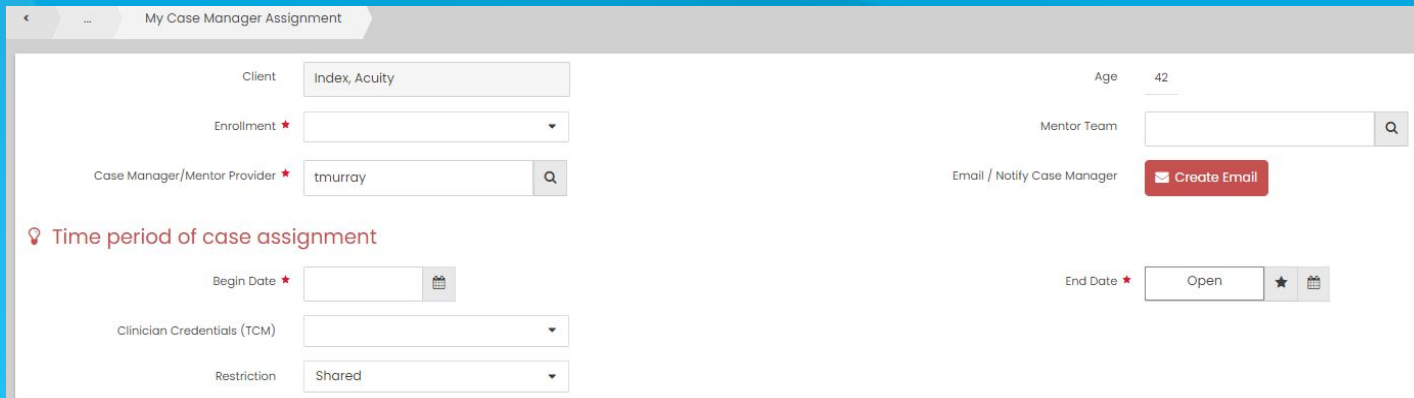

# Acuity Index Report Use Case Examples

- **Acuity Index Assessment Report Use Cases**
  - **Caseload** - Report should be used to monitor Case Managers case loads to ensure no one has a caseload of all clients with High/Low, there should be a mix
  - **Planning/Trends** - Acuity Index Report should be used to see when clients are doing better or worse. This can help with planning around those times with the client
  - **Eligibility** - Report will be used to help determine eligibility for things such as Moving On vouchers.
  - **Data Quality** - Report should be used to determine if there are missing Indexes

# Assigning a Case Manager to a Client

- The new report Acuity Index Assessment Report will allow you to review Case Loads based on a client's Acuity Index.
- This can only happen if
  - The Acuity Index is completed in HMIS and
  - A Case Manager is assigned to a Client's record in HMIS.
    - Accessible via Case Management Tab > Left Menu > Case Management > Case Managers/Mentors > Add New
- **The steps to assign a Case Manager in HMIS are listed in the [CT DMHAS Acuity Index Outcomes Assessment/Report Quick Guide- KB](#)**
